

# PRODUCT SPECIFICATION REPORT

Big Orange is a blend of naturally occurring organic degreasers, detergents, and emulsifiers which may be used as a replacement for petroleum based degreasers.

## BIG ORANGE™

PROD. #0415

Citrus Industrial Degreaser, Deodorizer, and Graffiti Remover

### FEATURES/BENEFITS:

Citrus Solvent	Formulated with naturally occurring citrus solvent; does not contain petroleum distillates, chlorinated solvents, butyl cellosolve, caustic or acid
High Solvency	Comparable degreasing power to petroleum distillates and chlorinated solvents
Pleasant Fragrance	Leaves a fresh citrus fragrance; does not have an objectionable solvent or petroleum odor
Versatile	This product is recommended for use as a degreaser for parts, equipment and floors. It may also be used to remove graffiti and mastic from a variety of surfaces
Emulsifiable	Easily emulsifies with water for economy
Biodegradable	All detergents and emulsifiers in Big Orange are completely biodegradable; this product is also free of phosphates

**CAUTION:** May damage some plastic, rubber, and/or painted surfaces. Test on an inconspicuous area before general use.

**Note to customers in any jurisdiction that have adopted CARB or OTC Model rules for consumer products:** This product may not be used at a use concentration greater than 1 part product to 25 parts water.

### APPLICATIONS:

This product is recommended for degreasing parts, equipment, and floors; removes scuff and rubber tire marks. Recommended for use to manufacturing facilities, transportation facilities, food services, hotels and motels, maintenance & repair services, sewage treatment plants, garbage trucks and dumpsters.
