

PRODUCT SPECIFICATION REPORT

Meter Mist™ Herbal Spa is a highly effective odor counteractant that can be used anywhere malodors are a problem. For use in Meter Mist automatic dispensers.

METER MIST™ HERBAL SPA

Metered Aerosol Deodorizer

PROD. #3429

FEATURES/BENEFITS:

Effective	A highly effective odor counteractant which neutralizes tough odors such as smoke, tobacco, mildew and pet malodors while leaving a pleasant fragrance in the air
Automatic	A single Meter Mist unit controls odors in rooms automatically, 24 hours a day, 365 days a year
Easy-to-Use	Automatic dispensing eliminates misuse
Broad Coverage	One unit controls odors in up to 6,000 cubic feet. Dispenses 3000 metered sprays which will freshen the air for a 30 day service cycle
VOC Compliant	Complies with all current VOC regulations in all states
Environmentally Preferable	This product is formulated without phthalates, carcinogens, reproductive toxins or ozone depleting ingredients

APPLICATIONS:

Meter Mist products can be automatically dispensed anywhere foul odors are an issue. Especially useful to: airport terminals, funeral services, schools, government offices, clinics & hospitals, car washes, service stations, nursing homes, eating and drinking establishments, day spas, health clubs, grocery stores, dentist offices, and sports facilities.
