

PRODUCT SPECIFICATION REPORT

Smoke Screen™ is a highly effective aerosol odor counteractant that can be used anywhere malodors from smoke or organic sources are a problem.

SMOKE SCREEN™ Aerosol Malodor Counteractant

PROD.#0187

FEATURES/BENEFITS

Effective	Chemically eliminates malodors from stale cigarette and cigar smoke, excrement, vomit, food spillage, garbage, cooked food, perspiration, pets, and fire damage.
Pleasantly Scented	Fresh pleasant fragrance provides residual odor control.
Long Lasting	Keeps working, often for several days or more, in certain applications.
Easy to Use	No mixing, pouring or pumping required.
Efficient	Requires only a small amount of spray into an area to control odors.

APPLICATION

Use in restrooms, lobbies, conference rooms or anywhere smoke odor control is needed. Particularly effective in: Airport Terminals, Funeral Homes & Crematories, Schools & Educational Services, Animal Hospitals & Veterinarians, Government Offices, Service Stations, Grocery Stores & Supermarkets, Sewage Systems, Automotive Repair Shops, Hotels & Motels, Waste Treatment Plants, Sports & Recreation Clubs, Carwashes, Nursing Homes, Hospitals, Clinics, and Physician's Offices
