CONCENTRATED SMOKE SCREEN DEODORIZER™ Room Deodorant and Air Freshener

DESCRIPTION

An environmentally friendly, water-based deodorant that contains a concentrated, highly effective blend of odor neutralizing and masking agents, which impart a nice, pleasant fragrance to the treated area.

FEATURES

- Concentrated
- Environmentally Preferred
- Long-lasting Action
- Pleasant Fragrance
- All Purpose
- Highly Effective
- Deodorant Boosters

BENEFITS

- Dilution rate of 4 oz. per gallon of water.
- This product is part of the Zep Green Link line. It is non-corrosive, and contains no phosphates or carcinogens.
- Keeps working, often several days or more in certain applications.
- Deodorizes effectively without leaving a heavy fragrance of its own.
- Eliminates odor from stale cigarettes and cigar smoke, body wastes, food spillage, garbage, cooked foods, perspiration, pets, and fire damage.
- Chemically deactivates source of many malodors to provide positive long-term odor control.
- An 1/4 to 1/2 ounce added in mop bucket or carpet shampooer solution tank will impart a pleasant fragrance to the area being cleaned.

Note: Do not spray on or allow contact with plastic surfaces such as dashboards, door panels, or instrument lenses as damage may occur. DO NOT add to rinse wax, sealer wax, or drying agent.

APPLICATIONS

Dispensed as a fine mist using a hand sprayer such as the Model 6400.

PROD. #2159
807A

Specially formulated to neutralize smoke odors from cigars, pipes and cigarettes. Imparts a pleasant, fresh fragrance to all areas. Concentrated effectiveness provides for long-lasting odor control. Also eliminates all types of odors produced by cigars and cigarettes, body wastes, food and cooking odors, garbage, pets and zoo animals, and fire-produced odors.

DIRECTIONS

SPACE SPRAY DEODORIZER: Dilute 4 ounces per 1 gallon of water. (Do not overwet fabric or drapery as some of these may be susceptible to color change or staining. Test on inconspicuous area before using.)

Spray In: Restrooms, lobbies, closets, locker rooms, storage areas, hospital rooms, motel and hotel rooms, air conditioning filters and ducts, elevators, kitchens, dining areas, and meeting rooms.

Spray In: Garbage compactors, cigarette urns, disposals, garbage cans, dirty linen, toilets and urinals, bed pans, cabinets, sink traps, floor drains and mopping solutions.

RINSE WATER: Add 1/4 to 1/2 ounce to final rinse water when mopping floors.

CARPETS: Add 1/4 to 1/2 ounce to the carpet cleaning solution and clean carpet in the usual manner.

NOTE: Care should be exercised in applying solutions to fabric or color sensitive surfaces. Test on small inconspicuous area before general use.

WARNING!
CAUSES EYE IRRITATION
COMBUSTIBLE

Causes eye irritation. Inhalation of spray mists may cause respiratory tract irritation. DO NOT swallow this product. Avoid breathing spray mist. Exposure may aggravate existing skin or respiratory disorders. Further information on the effects of overexposure is included on the Material Safety Data Sheet, which is available upon request.

Zep advocates limiting exposure to all chemical products. Wearing of tight-fitting safety glasses is strongly recommended, especially for contact lens wearers. Wear natural rubber, nitrile, neoprene, or other resistant gloves. Remove contaminated clothing promptly and DO NOT rewear until thoroughly cleaned. After handling, wash hands thoroughly with soap and water.

FIRST AID:

EYES: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately.

SKIN: Wash contaminated skin immediately and thoroughly with soap or mild detergent. Consult a physician if irritation develops.

INHALATION: Move exposed person to fresh air. If irritation persists, get medical attention immediately.

INGESTION: If product is swallowed, DO NOT induce vomiting. If vomiting occurs, keep head below hips to prevent aspiration (breathing) of liquid into the lungs. Get emergency medical attention immediately.

DISPOSAL AND/OR SPILL INFORMATION: As with all cleaning and maintenance procedures, run-off from the cleaning or maintenance process should be diverted to a collection vessel, or where permitted, to a sanitary sewer (consult local and state regulations) and not allowed to soak into the ground or to enter a storm sewer. If this product is spilled or contaminated and cannot be used, creating the need for disposal, absorb product on an inert absorbent material, such as Zep-O-Zorb or Zep Super Sorbent, and deposit in a sealable container. Rinse area well with water.

COMBUSTIBLE: Keep away from heat, spark, open flame or any source of ignition. Store in a cool area away from direct sunlight. Keep container tightly closed at all times when not in use to decrease evaporation of volatile solvents.
