Superior Solutions

Environmental Mission Statement

Delivering Products and Services that are Good for People and the Environment

Sustainable business practices are fundamental to the operation of Zep Sales and Service. We are continuously innovating to find ways to reduce waste in our own operations and create products and services for customers that minimize negative impacts on the environment.

We Believe Sustainable Practices:

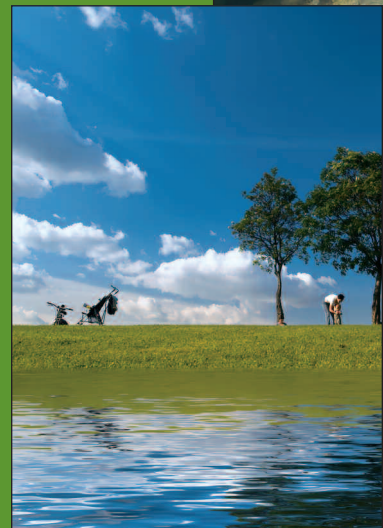

- Reduce pollution and encourage environmental best practices.
- Avoid depletion of the earth's finite natural resources.
- Reduce the risks associated with chemical usage and disposal.
- Enhance the working environment and quality of life for our customers.

Commitment to Our Facilities, Products and Processes

Zep Sales and Service is greening its own operations, seeking to reduce energy consumption, packaging, water usage and trade waste in its facilities and manufacturing processes, increasing the percentage of recycled content for packaging and through the use of environmentally friendly cleaning solutions.

Our People Care

Zep Sales and Service is committed to understanding how we impact the environment around us. What makes Zep Sales & Service unique is that we are focused on sustainability not only because of the business opportunity - we are devoted to it because our employees care about the communities we serve and preserving our natural resources for generations to come.

RESPONSIBLE CHEMICAL FORMULATIONS

As one of the country's leading specialty chemical manufacturers, Zep Sales and Service is committed to creating products and services for customers that minimize negative impacts on the environment.

Zep's GreenLink™ product range includes products certified by Green Seal®, EcoLogo™, and DfE together with Zep certified, Environmentally Preferred Products.

All of the products within Zep's GreenLink™ product range meet the same demanding formulation criterias:

- Contain post consumer packaging
- Contain recyclable packaging
- Contain biodegradable surfactants
- **Non-corrosive***
- **No chlorine bleach**
- **No ammonia**
- **No A.P.E.'s (Alkylphenol Ethoxylates)**
- No VOC's or VOC compliant
- No ozone depleting ingredients
- **No phosphates**
- No carcinogens
- **No "butyl" solvents**
- No chlorinated solvents
- No reproductive toxins
- No heavy metals
- No phthalates

* Specific EPA registered product concentrates have been exempted from this requirement. EPA mandates product label text, even though the pH of these registered products falls into the neutral range.

Icon Program

Green Seal is a non-profit organization that certifies products as environmentally preferable based on certain compliance and performance criteria, compared to industry standards.

EcoLogo is the symbol of the Environmental Choice program, which is sponsored by the Environment Canada branch of the Canadian Government. The EcoLogo program reviews each applicant company's product, the manufacturing process, and the company's quality assurance and quality control programs in certifying products.

Design for the Environment (DfE) is a program sponsored by the United States EPA. The Design for the Environment (DfE) program works with individual industry sectors to compare and improve the performance and human health and environmental risks and costs of existing and alternative products, processes, and practices. DfE partnership projects promote integrating cleaner, cheaper, and smarter solutions into everyday business practices.

CSPA Product Care is a stewardship program that facilitates member companies in improving the protection, compliance, and use of their products by both their customers and employees. Product Care also helps companies set goals for improving the sustainability of their products and processes.

No Butyl

Not Manufactured with 2 Butoxy Ethanol. We are exceeding regulatory requirements by not using 2 Butoxy Ethanol solvent in our GreenLink™ products.

No VOC

These products are not made with any ingredients that contain regulated Volatile Organic Compounds. These products exceed the regulations for VOCs in all air districts.

VOC Compliant

These products are compliant with all air district regulations including OTC, California, South Coast, and all others. There are regulated amounts of volatile organic compounds that certain types of products contain. Our products meet or exceed these regulations designed to improve air quality by reducing ozone levels.

Biological Renewable Resources

Formulated using bacteria and enzymes. Bacteria and enzymes are manufactured by growing bacteria that are reproduced in the presence of a food source. The bacteria is grown from specific strains that have the ability to digest specific soils. An amount of the bacteria is maintained and used to grow additional batches – a sustainable technology.

Non-flammable

It is important to reduce the risk of fires in the workplace. Most of Zep's GreenLink™ products are non-flammable and are identified with our seal.

Renewable Natural Resources

We use several different technologies that are renewable resources based. Our most notable is American grown soy based solvents. Soy based solvents can be formulated to cut grease and grime while sustaining our environment.

NO APE

Not formulated with Alkyl Phenol Ethoxylate Surfactants. We are exceeding regulatory requirements by not using these raw materials in our GreenLink™ formulations.

No Petroleum Distillates

Does not contain petroleum distillates, which are derived from crude oil and would include compounds comprised of only hydrogen and carbon. Petroleum distillates exist under normal conditions as a gas or a liquid that would put significant vapor into the atmosphere, i.e., would conform to the typical "Volatile Organic Compound" definition in regions that regulate VOC composition of products.

GreenLink Product Summary by Category

FLOOR CARE		
1913	GREENLINK™ FLOOR STRIPPER	Floor Stripper
1917	GREENLINK™ FLOOR FINISH	Low Maintenance Floor Finish
1914	GREENLINK NEUTRAL FLOOR CLEANER	Neutral Floor Cleaner

FLOOR CARE

GREENLINK™ FLOOR FINISH

Zinc-free floor finish that delivers outstanding durability and gloss with rapid drying. Formulated for low maintenance applications like damp mopping, spray buffing, or occasional burnishing, depending on traffic and available equipment. Green Seal certified, GS-40.

PROD.# 1917

GREENLINK™ FLOOR FINISH STRIPPER

Deep penetrating, low foaming floor finish stripper that works effectively on zinc free and conventional finishes. Green Seal certified, GS-40.

PROD.# 1913

GREENLINK™ NEUTRAL FLOOR CLEANER

Low foam, neutral pH, general purpose cleaner designed for finished floors. Rinses easily, leaving a film free surface. Green Seal certified, GS-37.

PROD.# 1914

BIO SWAB

A high performance floor cleaner, odor eliminator, and grease digester, recommended for use in commercial food service areas. No rinsing is required. It contains a blend of detergents, emulsifiers, builders, and non-pathogenic bacteria that has been specifically selected to digest complex proteins, starches, and fats

PROD.# H701

CARPET & UPHOLSTERY CARE

BREAKAWAY

Ready-to-use carpet and fabric cleaner, deodorizer and stain repellent. Utilizes bacteria to eliminate old stains and pet odors. Can also be used as a pre-spotter.

PROD.# 0780

ODORSTROYER EXTRA

Bio carpet cleaner and deodorizer. Eliminates most unsightly organic stains and foul odors (such as pet urine and blood) through the live bacterial action.

PROD.# 1842

LEMONGRASS EXTRACT-IT PLUS

Concentrated, low foaming, hot water extraction and bonnet buff cleaner. Prevents further staining of carpet surfaces. Formulated for new generation fibers.

PROD.# 1284

ZEP-O-FOAM

Concentrated liquid-dry-foam carpet and upholstery shampoo and deodorizer. Blended with high-foaming-synthetic detergents and emulsifiers, mild alkalis, driers, and deodorizers. Meets or exceed industry standards for soil re-deposition and cleaning.

PROD.# 2130

GREENLINK™

RESTROOM CARE

GREENLINK™ CONC. GLASS CLEANER

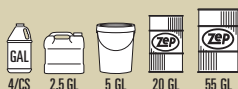

Ammonia free formulation removes smudges and fingerprints without any streaks or haze from glass, Lexsan, Plexiglas®, and other water washable surfaces. Green Seal certified, GS-37.

PROD.# 1036

VERDIZA

Concentrated, peroxide fortified, all-purpose hard surface cleaner. Safe on most hard, non-porous surfaces. Green Seal Certified, GS-37.

PROD.# 1254

E.S.P.

Heavy-duty, multi-purpose cleaner and degreaser. Removes dirt, oil, and grease from walls and ovens, even vinyl upholstery and many other surfaces, without harsh, corrosive chemicals.

PROD.# 0848

DZ-7

Neutral, quaternary ammonium, broad spectrum, hospital-grade disinfectant cleaner. Safe for use on finished floors. HIV-1 claim. *Please note that DZ-7 has been exempted from the non-corrosive GreenLink requirement.

PROD.# 7520

BOWL SHINE II

Non-acid toilet bowl and urinal cleaner, deodorizer. Penetrates and eliminates scale, stains, and scum on porcelain, fiberglass, chrome, and ceramic.

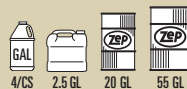

PROD.# 1197

A.I.O. II

Concentrated all-purpose sanitizer, cleaner, and deodorizer. Formulated with a powerful combination of hydrogen peroxide and quaternary cleaners. For multiple hard surface cleaning applications.

PROD.# 1309

SPIRIT II

Ready-to-use, hospital grade, non-phenolic, germicidal cleaner and deodorant. Quickly cuts through grease and heavy soil. Kills Tuberculosis, Canine Parvovirus, and HIV-1. Conforms to CDC Bloodborne-Pathogens procedures for environmental surfaces.

PROD.# 0679

BIO URINAL SCREENS

Urinal screens that use the power of nature to eliminate odors and maintain drains. Uses renewable biological resources for continuous action. EcoLogo certified CCD - 110

12/CS

PROD.# 7927

BIO BATHROOM

Uses biological action to clean and deodorize bathrooms. Use on ceramic tile, countertops, toilets and sinks. Uses renewable biological resources for continuous cleaning and deodorizing. EcoLogo certified CCD - 165

PROD.# 1685

DRAIN CARE

ODORLESS LBA/DRAIN CARE

Biological waste digester. Keeps drains clear by biologically degrading grease, oil, cellulose, protein, and starch residues. Low odor formula. Contains no harsh acids or caustics to damage drains or interfere with the natural bacterial action associated with septic tanks, ponds, and lagoons DfE Certified.

PROD.# 1668

LBA

Bio drain treatment prevents blocked drains by biologically degrading grease, oil, cellulose, protein, and starch residues. Contains no acid or caustics to damage drains or interfere with septic tanks, ponds, and lagoons. USDA applicable, C1.

PROD.# 1679

BIO-MULTIPURPOSE DRAIN CARE

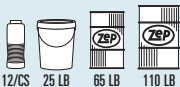

Biological drain maintenance. Uses biological actives to attack organic soils, fats, grease, paper, and proteins. With regular use, keeps drains open and in good use. For use on all types of drains.

PROD.# 4626

ZEP-O-ZYME

Enzyme product that maintains and cleans sewer and plumbing lines, grease traps, and septic tanks. High-activity enzymes and bacterial cultures effectively liquify and digest fats, proteins, and starches. Non-acid, non-alkaline, and non-corrosive. Will not harm plumbing fixtures. USDA applicable, L1.

PROD.# 1682

GENERAL PURPOSE CLEANERS

TUFF GREEN

Ready-to-Use general purpose cleaner, formulated for use on all surfaces not harmed by water. For use, on a wide variety of soils such as wax build-up, black marks on floors, fingerprints, and other types of soils encountered in daily cleaning.

PROD.# 0650

SPIRIT II

Ready-to-use, hospital grade, non-phenolic, germicidal cleaner and deodorant. Quickly cuts through grease and heavy soil. Kills Tuberculosis, Canine Parvovirus, and HIV-1. Conforms to CDC Bloodborne-Pathogens procedures for environmental surfaces.

PROD.# 0679

HAND CARE

TRANQUIL MEADOWS

Broad-spectrum antibacterial hand cleanser. Fortified with emollients to keep hands smooth and prevent drying. Pleasant light, floral fragrance.

PROD.# 0947

SUMMER RAIN

Broad-spectrum antibacterial hand cleanser. Fortified with emollients to keep hands smooth and prevent drying. Clean fresh fragrance.

PROD.# 0983

CITRUS BLAST

Broad-spectrum antibacterial hand cleanser. Fortified with emollients to keep hands smooth and prevent drying. Crisp citrus fragrance.

PROD.# 0982

FOAM SAN

Foaming alcohol-free, perfume-free hand sanitizer. Leaves skin feeling soft and smooth without the need for rinsing or wiping.

PROD.# 0880

FOAMY SANZ

Alcohol free, foaming hand sanitizer. Specially formulated for use by children in schools, day care centers and health care facilities. Attractive bright green color and lime fragrance.

PROD.# 0879

SOY PUNCH

Waterless hand cleanser with the power of soy - the environmentally conscious, renewable resource - to cut through the toughest grease and grime.

PROD.# 1511

LEMONGRASS HAND LOTION

Enriched hand lotion with emollients, moisturizers, and protective ingredients designed to re-hydrate and soften dry overworked hands.

PROD.# 0883

SHELL SHOCK

Heavy Duty Industrial hand cleaner with the natural power of soy solvents and abrasive walnut shells to clean the toughest grime and grease. Zep Shell Shock is an environmentally-conscious choice using renewable resource, soy based solvents and walnut shells.

PROD.# 0849

SUN BURST

This lotion hand soap has a great blend of fragrances combining the smell of fresh honey with crisp lime. The incorporation of moisturizers leaves hands feeling clean and smooth. Green Seal Certified under category GS 41.

PROD.# 1001

GARDEN WALK

This lotion hand soap is specially formulated to clean and moisturize hands. The scent of flowering Geraniums and botanical essences is relaxing and soothing. Green Seal Certified under category GS 41.

PROD.# 1011

LAVENDER

This foaming soap contains emollients to keep hands feeling great even with frequent use. The rich foam and crisp Lavender fragrance compliments the antibacterial components that help prevent the spread of germs.

PROD.# 0834

JASMINE

The fresh scent of flowering Jasmine in a luxurious, foaming hand soap, cleans hands gently and thoroughly. Contains a broad spectrum antibacterial agent.

PROD.# 0826

INDUSTRIAL DEGREASERS

TUFF GREEN CONCENTRATE

A concentrated general purpose cleaner/degreaser. For general purpose cleaning, a dilution rate of 1:10 can be used for most applications. Cleans all surfaces not harmed by water. Attacks tough soils and greases for superb cleaning ability.

PROD.# 2037

GREENLINK™ MULTI-CLEAN GREEN

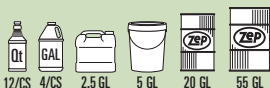

Multi-purpose cleaner and degreaser. Suitable for cleaning ovens, grills, machinery, walls, floors, vents, mirrors, and counter tops. RCRA non-hazardous. Green Seal Certified GS-37.

PROD.# 1249

Z GREEN

Unique, non-toxic, environmentally safe, general purpose cleaner. Suitable for use as a floor cleaner, spray and wipe cleaner, engine degreaser, and for a variety of other cleaning applications. Will not harm bacteria in sewage waste treatment plants. RCRA non-hazardous.

PROD.# 1848

AQUA SOY

All-purpose, water-based, cleaner and degreaser. Utilizes a soy-based solvent, a renewable resource. Cleans anything from concrete to countertops, metal to plastic surfaces, equipment to floors.

PROD.# M980

SOY FOAM

Aerosol, multi-purpose, water-based cleaner. Contains a natural soy-based solvent – a renewable resource. Produces a rich foam, suitable for cleaning a variety of surfaces such as ceramic tile, stainless steel, vinyl, and aluminum.

PROD.# M950

SOY CLING - aerosol

Aerosol, ready-to-use, low-odor, heavy-duty, gel cleaner and degreaser formulated with natural, soy-based solvent – a renewable resource. Clinging gel for extended contact time on vertical surfaces. Effectively dissolves heavy soil, grease, oil, tar, most adhesives, tape, and decal residues.

PROD.# 0032

SOY CLING - liquid

Liquid, ready-to-use, low-odor, heavy-duty, gel cleaner and degreaser formulated with natural, soy-based solvent – a renewable resource. Clinging gel for extended contact time on vertical surfaces. Effectively dissolves heavy soil, grease, oil, tar, most adhesives, tape, and decal residues.

PROD.# 0756

SOY RESPONSE - aerosol

Powerful, aerosol, degreaser formulated with a natural, biodegradable soy-based solvent – a renewable resource. Quickly and effectively removes heavy grease, tar, and oils.

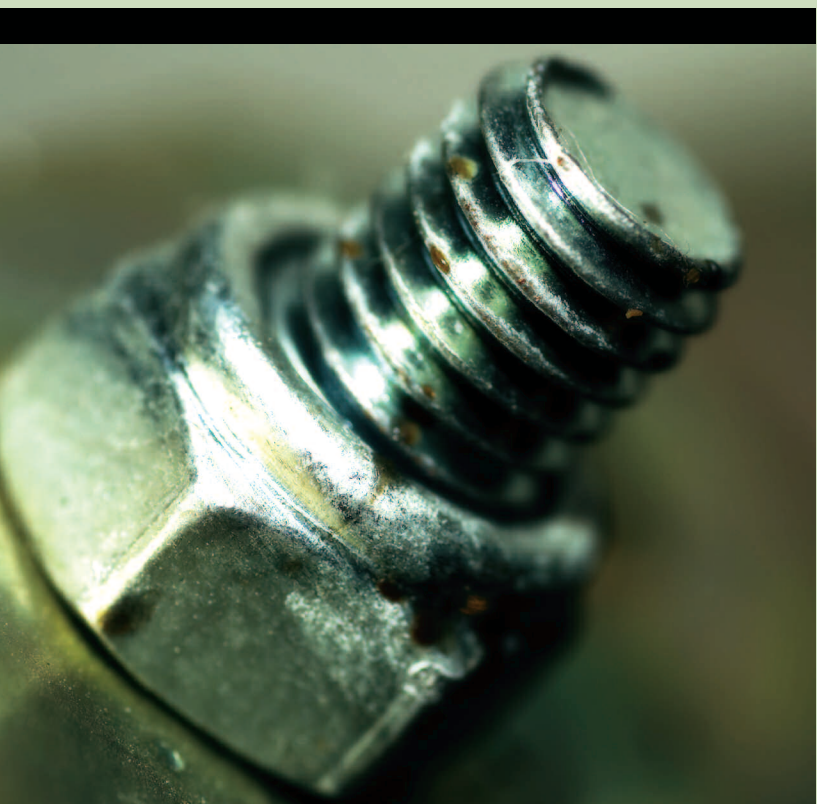

PROD.# 0004

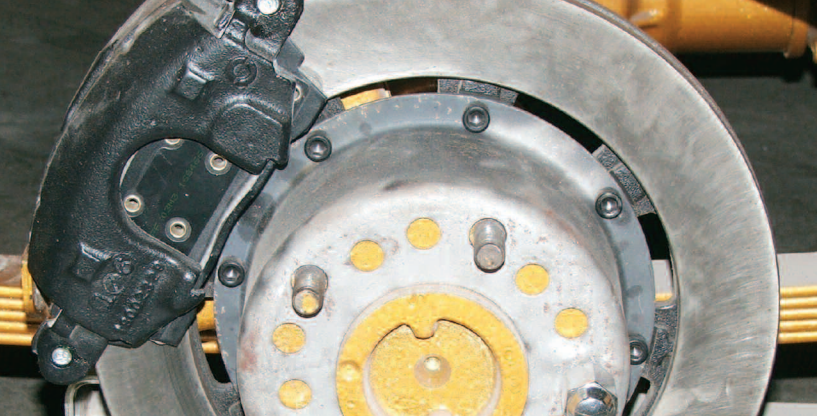

SOY RESPONSE - liquid

Powerful, liquid degreaser formulated with a natural soy-based solvent – a renewable resource. Quickly and effectively removes heavy grease, tar, adhesives, and oils. Effective for use in drain maintenance.

PROD.# 0752

AUTOMOTIVE

I.D. CLEAN - aerosol

Heavy Duty degreaser and parts cleaning aerosol. Slow evaporating for extended contact time. VOC compliant in all air districts.

PROD.# 0326

I.D. CLEAN - liquid

Heavy Duty degreaser and parts cleaning solvent. Slow evaporating for extended contact time. VOC compliant in all air districts.

PROD.# 4646

I.D. FLUSH - aerosol

Fast Evaporating parts cleaning aerosol with a pleasant fragrance. VOC compliant in all air districts.

PROD.# 0298

I.D. FLUSH - liquid

Fast Evaporating parts cleaning solvent with a pleasant fragrance. VOC compliant in all air districts.

PROD.# 4643

FOOD INDUSTRY

BIO SWAB

High performance, rinse free, floor cleaner, odor eliminator, and grease digester. Contains a blend of detergents, emulsifiers, builders, and non-pathogenic bacteria, specifically selected to digest complex proteins, starches, and fats.

PROD.# H701

LEMONGRASS SINK DISH DETERGENT

Concentrated, free rinsing pot and pan detergent, formulated for superior grease-cutting. Produces copious, long-lasting suds that are gentle on the hands. Contains an antibacterial agent to fight bacteria on the surface of the hands.

PROD.# 1250

FS AMINE-Z

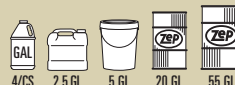

Multi-purpose sanitizer and deodorizer. For use in food processing plants, dairies, hospitals, dental offices, barber shops, kennels, and restaurants. Meets the requirements of the Retail Food Store Sanitation Code, and Appendix F of the Grade "A" Pasteurized Milk Ordinance, 1978. *Please note that FS Amine-Z has been exempted from the non-corrosive GreenLink requirement

PROD.# 1700

FS STRIKE THREE

Multi-purpose, non-butyl cleaner and degreaser for effective removal of grease, animal fat, and protein build-up in food establishments and food processing plants.

PROD.# 1650

FS POT AND PAN SCRUB

Highly concentrated, high sudsing detergent for superior grease-cutting ability. General-purpose cleaner for pots, pans and food preparation surfaces.

PROD.# 1587

KITCHEN SURFACE SANITIZER

Ready-to-use food contact surface sanitizer. Apply by spraying a coarse-mist on a hard surface. Allow to air dry. This product, when used as directed, will effectively eliminate surface bacteria.

PROD.# 1058

AIR CARE

Air Fair Essentail Oils CITRUS AND SAGE

Air Fair Essential Oils use 100% fragrance to capture the complete fragrance experience. The essential citrus oils are specially blended with the smell of fresh sage to create a unique blend of fragrances that stimulate your personal environment. Latest, non-aerosol technology.

12/CS

PROD.# 0481

Air Fair Essentail Oils BARTLETT PEAR

Air Fair Essential Oils captures the essence of nature with the crispness and sweetness of the Bartlett Pear. The purity of the Bartlett Pear is achieved with 100% fragrance. Latest, non-aerosol technology.

12/CS

PROD.# 0635

METER MIST LAVENDER

Highly concentrated odor counteractant works to fight malodors from most sources. For use with the Zep 3000 Plus and 3000 Select automatic dispensing systems, which provide metered sprays over a user-selected time frame. Natural Lavender fragrance.

12/CS

PROD.# 3332

METER MIST JASMINE

Highly concentrated odor counteractant works to fight malodors from most sources. For use with the Zep 3000 Plus and 3000 Select automatic dispensing systems, which provide metered sprays over a user-selected time frame. Natural Jasmine fragrance.

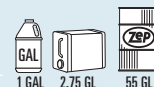

12/CS

PROD.# 3326

AIR FAIR LINE

Complete line of odor counteractants. Provides superior odor control even with tough problems caused by cigars, cigarettes, body wastes, food spills and cooking odors, garbage, and even fire-produced odors. Water-based and dye-free, they can be used as both a surface and space spray. Available in ready-to-use or concentrates. Both available in quarts, 2.75 gallons or 55 gallons.

CONCENTRATES

AIR FAIR SMOKE SCREEN PLUS

Easy to use dual action fogger. Chemically neutralizes odors and replaces them with a clean fresh scent. One can treats up to 6000 cubic feet.

PROD.# 0299

12/CS

ZDS Concentrated SMOKE SCREEN DEODORIZER

Highly concentrated liquid deodorant and air freshener. Eliminates odors from smoke, urine, feces, pets and garbage. May be used as a space or surface spray. Dilutes to 1:32. Pleasant mountain air fragrance.

PROD.#2159

VEHICLE WASH

BLUE MAGIC

This concentrated, high-foaming liquid detergent is completely biodegradable and phosphate free. Formulated for brush car and truck wash facilities. It may also be used for the foam brush at self-service washes. Excellent for single-cycle and reclaim-type operations as well. Effectively removes road film, winter salt deposits and heavy soil. Rinses spot free. Performs well in both soft and hard water. Produces quantities of high lubricity foam to ensure maximum brush life. Harmless to all vehicle finishes. It is clear, moderately-thick, and blue in color, with essentially no odor.

PROD.# 1022

ULTRASUDS

This non-phosphate concentrate quickly lifts road film, winter salt deposits, grime, and heavy soil. Superior lubrication aids in reducing swirl marks on auto surfaces. Works equally well in all water types. Rinses easily and leaves no residue.

PROD.# 1027

MEGAWASH

A highly concentrated formula that produces abundant foam when injected with air or agitated vigorously. May be used in all types of car washes.

PROD.# 1028

BRIGHT WHITE SHAMPOO

Brilliant white foam shampoo, cleans, shines and brightens all clear-coat finishes and is biodegradable and phosphate-free. Rich foam removes road film, winter salt deposits, and heavy soil, to produce cleaner glass, brighter chrome, and drier painted surfaces. Excellent for single cycle and reclaim-type operations. Performs well in all water types.

PROD.# 1033

Z-MAXX SHAMPOO

Foaming liquid detergent is completely biodegradable and phosphate free. Effectively removes road film, winter salt deposits and soils. This product performs well at a reasonable cost to clean automobile surfaces.
