

PRODUCT SPECIFICATION REPORT

All-Purpose Lithium Grease is a multi-purpose lithium grease made from highly refined base oils and some protection additives.

ALL-PURPOSE LITHIUM GREASE

PROD. #3101

FEATURES/BENEFITS:

Natural Oxidation Resistance	Will last longer thus extending drain interval
High Drop Point	Allows for excellent high temperature performance
Formulated with Protection Additives	Will protect the lubricated parts against rust and corrosion

APPLICATIONS:

All-Purpose Lithium Grease is for general industrial and construction equipment. Can be used for the grease lubrication of water pumps, universal joints, oil and natural gas drilling, various manufacturing applications and other industrial processes.

COMPANION PRODUCTS:

All-Purpose All-Temperature Grease, High-Performance Lithium Grease, Pipe Dope, I.D. Red, I.D. Blue Liquid, Formula 50, Morado Super Cleaner, Dyna 143, Zep 75, Cherry Bomb, TKO

SPECIFICATIONS:

NLGI Grade (ASTM D-217)	2
Worked Penetration (ASTM D-217)	285
Thickener Type	Lithium stearate
Color	Amber
Texture	Smooth, adhesive
Base Oil	Mineral oil
Temperature Range	-20 to 250°F
Rust Prevention D-1743 Rating	PASS
Dropping Point (ASTM D-2265)	350°F

PACKAGING:

- 10 x 14 oz Cartridges—310104
- 40 x 14 oz Cartridges—310101
- 15 lb Pail—310115
- 45 lb Pail—310134
- 120 lb Keg—310142
