

PRODUCT SPECIFICATION REPORT

CONCENTRATED T'N'T™
Brushless Truck and Trailer Wash

DESCRIPTION

A concentrated liquid truck and trailer wash formulated to remove exhaust deposits, road film and bug residues from painted vehicle surfaces in one application - without brushing.

FEATURES

- Economical
- Versatile
- Free Rinsing
- Environmentally desirable
- Saves time and labor
- Improves mileage

BENEFITS

- Mix one or two pails (depending on degree of soil) with water to make 55 gallons of premix. Dilute this premix with 25 parts water for heavy duty cleaning and up to 100 parts water for light duty cleaning.
- Can be applied with high or low pressure, in hot or cold water. For best results, apply at high temperatures (140°F - 160°F) and high pressure (above 600 psi). Always rinse with high pressure water.
- Synthetic, biodegradable detergents rinse freely and completely to help eliminate streaking.
- Contains no phosphates, caustics, acids or solvents.
- Cleans effectively. In most cases manual brushing is no longer necessary.
- Eliminates road soil and film, reducing drag.

APPLICATIONS

An excellent, economical truck and trailer wash designed for high-pressure applications. Highly effective on road film. Particularly useful in:

Contract Truck Washing Services

Truck Leasing Dealers

Truck Washes
