### Disinfectant Effectiveness Test

Manufacture/owner CLEAN PROJECT CO.,LTD. (HEAD OFFICE)

Address 236 Soi Sirindhorn7,Sirindhorn Road,Bangbumru,Bangplat,Bangkok 10700

Access Number D 1/63

#### Test Result

The results indicate the effectiveness of the CLEANLAB FS SANITIZER CONCENTRATE at the concentration 1:256 that is able to kill Swine influenza virus (H1N1) at 10 min. As the virus was exposed to the disinfectant and the toxicity for cell culture was treated by Sephadex LH-20. The test result is as following :

Agents	Titer after contacting with agents (log10)
CLEANLAB FS SANITIZER CONCENTRATE 1:256, 10 min	<0
Control	5.02

Stock virus : H1N1 (06CB1) virus titer =  $10^{5.5}$  TCID<sub>50</sub>/ml

Test by Porjit choojai Reported by Rachod Tantilertcharoen Reported date 6 March 2020
