

## PRODUCT SPECIFICATION REPORT

# ZEP FORMULA 300™

## Premium Economy-Grade Solvent Degreaser

### DESCRIPTION

A premium quality industrial grade solvent for cleaning and degreasing. A blend of powerful chlorinated and aliphatic hydrocarbons.

### FEATURES

- Cleans and degreases
- Safe on water sensitive parts
- Evaporates completely
- Versatile
- Low toxicity
- Other features

### BENEFITS

- Rapidly removes grease, oil, grime, dirt, lint, loosens carbon, and a variety of soils from many different parts and components.
- Safely cleans water sensitive parts and components such as electric motors, switches, contacts, automotive electrical components, and office machinery.
- Dries rapidly and leaves no oily or gummy residue. Leaves no flammable residue or combustible residue after drying.
- May be applied by spraying, dipping, or immersion.
- Contains no carbon tetrachloride, benzene, or TCE.
- Non-conductive; non corrosive to all metals; low fire hazard (UL rating between 40 to 50)

### APPLICATIONS

Recommended for cleaning electric motors, generators, switches, office machinery, process and production equipment and machinery, tools, automotive electrical components, PC boards, and other water sensitive damaged parts.

\* **Spot test for safety before using on plastic and painted surfaces.**

### COMPANION PRODUCTS

Zep Dyna 143, Zep Parts Washer equipment, Zep Brake Buggy, Zep Formula 50, Zep Gator Tails, Zep Safety equipment

### SPECIFICATIONS

Physical form . . . . .	clear, thin liquid	Boiling point . . . . .	102°F
Flash point (TCC) . . . . .	None to Boiling pt. 170°F	Shelf life . . . . .	1 year minimum
Odor . . . . .	Sweetish, Solvent-like, Strong	DOT Shipping label . . . . .	RQ Tetrachloroethylene
pH (concentrate) . . . . .	N/A		
Specific gravity . . . . .	1.04		

### PACKAGING

- 4 gallon case
- 5 gallon pail
- 20 gallon drum
- 55 gallon drum
