

PRODUCT SPECIFICATION REPORT

I.D. Red is an effective aerosol solvent degreaser to remove oil, grease, tar, dirt and lubricants from metal surfaces. This product is designed for use when extremely fast evaporation and no residue are desired.

I.D. RED™

Fast Evaporating Industrial Degreaser

PROD. #0096

FEATURES/BENEFITS:

| | |
|-------------------------|---|
| Fast Evaporating | I.D. Red quickly evaporates from the surface. |
| Effective | Rapidly penetrates and removes soils from surface. |
| No residue | Solvents evaporate completely, leaving no detectable residues on cleaned surfaces. |
| No chlorinated solvents | Formulated without any chlorinated solvents such as 1,1,1-trichloroethane, perchloroethylene, or methylene chloride. |
| Noncorrosive | Contains no ingredients which will cause corrosion of metal surfaces. |
| Two-way valve | Designed with a special valve to allow use right-side up and upside-down without propellant loss. Note: Do not dispense product with can horizontal positions as propellant may be expelled without product. This will result in product being left in can after all propellant is exhausted. |

Note: Precautions must be observed to eliminate sources of ignition for liquid and vapors. NOTE to customers in California, Lake Michigan Air Directors Consortium (LADCO) states, and Ozone Transport Commission (OTC) states: This product is sold to and is to be used exclusively by establishments which manufacture or construct goods or commodities.

APPLICATIONS:

I.D. Red is an effective degreaser for surfaces and parts when rapid evaporation and no residue are critical. Use to remove oil, grease, dirt, lubricants and tar from machinery parts, molds, and equipment. For use in: Automotive Repair Shops, Heating & A/C Services, Textiles, Fabricated Metal Products, Cleaning & Maintenance Services, Service Stations, Motor Vehicle Manufacturers

COMPANION PRODUCTS:

Concentrated Glass Cleaner, Bowl Shine II(GreenLink), Mildew Stain Remover, Cherry Bomb, Shell Shock(GreenLink), Tuff Green(GreenLink), Big Orange, A-One, Formula 50

SPECIFICATIONS:

| | |
|-----------------------|---|
| Physical Form | Liquid Aerosol |
| Odor | Hydrocarbon |
| Color | Clear |
| Shelf Life | 1 Year Minimum |
| Flammability | Extremely Flammable by CSMA Flame Extension |
| D.O.T. Shipping Label | ORM-D |
