

PRODUCT SPECIFICATION REPORT

Original Orange is a citrus solvent based hand cleaner. This heavy duty hand soap uses a biodegradable orange solvent, with fine abrasive pumice to tackle the toughest grease and dirt.

ORIGINAL ORANGE

Industrial-Strength, Citrus-Based Hand Cleaner

PROD.#0991

FEATURES/BENEFITS:

Pleasant Odor	Original Orange contains an orange aroma making it pleasant to use.
Industrial Strength	Easily removes grease, dirt, oil and tar from hands.
Finely Ground Pumice	Contains pumice to aid in scrubbing tenacious soils from hands.
Natural Emollients	Formulated with aloe vera to assist in preventing chapping and dryness of hands.
Fast Cleaning Action	Quickly and thoroughly penetrates and liquefies grease, oil, tar, paint and adhesives.
Easy Rinsing	Rinses easily and completely, even in hard water.

APPLICATIONS:

Original Orange is perfect for use by mechanics, repairmen, industrial workers, roofers, and shop workers. Great for use in all industrial and warehouse settings, such as: automotive repair shops, building contractors, car washes, commercial printing, lumber and building material dealers, motor vehicle manufacturers, new and used car dealers, newspaper printing facilities, paper mills, railroads, service stations, truck rental and leasing, truck wash, warehousing and storage.
