# High Performance Maintenance Products For Fast-Pace Oil and Gas Operators

## Why Zep?

Founded in 1937, Zep has been serving maintenance, repair and equipment/vehicle operators ever since. We:

- Deliver high performance products that work right the first time.
- Understand that time is money.
- Share compliance expertise at the national, state/province and county level.
- Are up-to-date on the VOC regulations and offer green alternatives.
- Maintain ISO 9001 and ISO 14001 certification for top quality production.
- Provide local and direct sales reps that are focused upon delivering customer solutions.

## Specialize In Oil and Gas

Zep provides a high performance assortment of products and services that Drillers, Frackers and Oil Field Service companies use every day.

- Heavy-duty degreasers for multiple equipment and tool applications (RTU and concentrated).
- Aerosol penetrants, lubricants, and corrosion protectors.
- Greases for both high performance needs and every-day value.
- Parts Washers and pressure washers backed by a service network.
- Hand care (waterless and with water for rinsing).
- Ground maintenance and support (e.g. PPE, spill absorbents, insecticides).
- Green products in all of our categories that still perform to exceed your needs.
- We deliver quickly to the job site to meet the fast pace of the Oil and Gas drilling and field service world.
- We provide shop audits for compliance and safety risks and make custom recommendations.
- We work to earn your business the old fashioned way through service, expertise and great products.

## FLEX SEAMLESS NYLON KNIT GLOVE

Green foam latex dipped palm and fingers. Good for multi-industrial applications that require high dexterity and comfort.

**QTY:** Dozen

(M) C48112      (L) C48012      (XL) C48312

## DOTTED STRING KNIT GLOVE

Ambidextrous-use on either hand. Black PVC dots on both sides provides a firm grip, and double the life of the glove. Machine knit offers breathability, and there is a comfortable string knit wrist. For warehouse work and materials handling.

**QTY:** Dozen (L)      C99512

## LEATHER PALM GLOVES

Economical standard split cowhide leather palm gloves are a great protection and comfort in general-duty applications. Gunn pattern, wing thumb. Pearl gray, with double palm.

**QTY:** Dozen (L)      C99312

## GENERAL PURPOSE GOGGLES

Provides a wide unobstructed view of vision. Can be worn with most half-mask respirators. Protects against impact and chemical splash. Perforated frame. Transparent protective PVC body permits a comfortable fit over prescription eye wear. Clear. Elastic Band.

**QTY:** Dozen      C99612

## ANTI-FOG GOGGLES

Provides a wide unobstructed view of vision. Can be worn with most half-mask respirators. Protects against impact and chemical splash. Transparent protective PVC body permits a comfortable fit over prescription eye wear. Clear. Rubber strap.

**QTY:** Dozen      C99712

## UN-CORDED EARPLUG

One Size fits all; washable. Soft for conformable fit and seal, ridged stem for better grip for insertion and removal.

**QTY:** 4 bags/case - 100 pairs/bag      C99901

## CORDED EARPLUG

Advanced air pocket design features internal noise-blocking fins. Four flange profile creates better seal in the ear canal. Less pressure in the ear canal eliminates that "plugged up" feeling. Rounded flanges, tapered shape. Firm stem facilitates easy insertion and removal. Noise reduction Rate (NRR) 27dB. Meets ANSI S.3.19-1974. Blue. Red poly cord.

**QTY:** 100 pairs/box      C99801

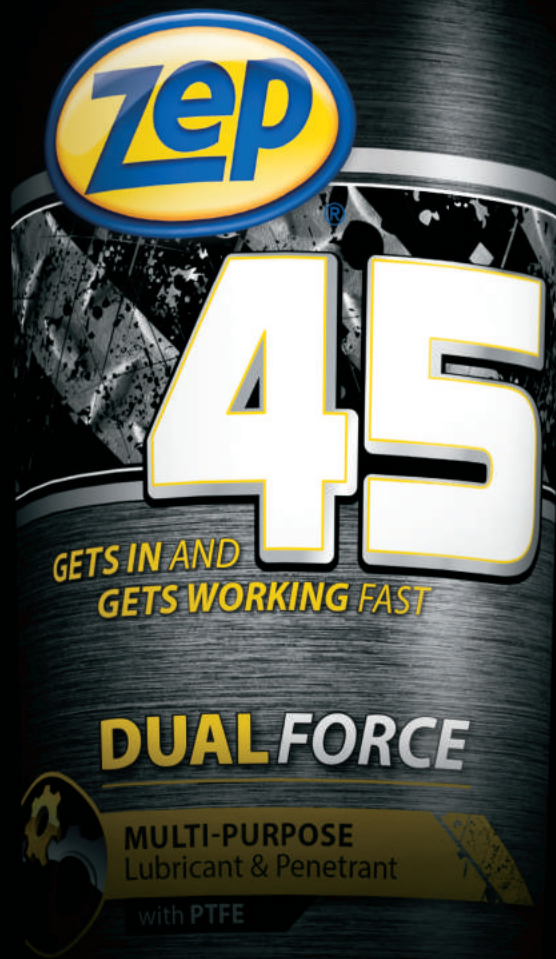

## DOPE BRUSH

Use this pipe dope brush to efficiently apply thread grease to your drill string. Includes a guard to keep the brush from falling all the way into the bucket.
